

Schools per Type

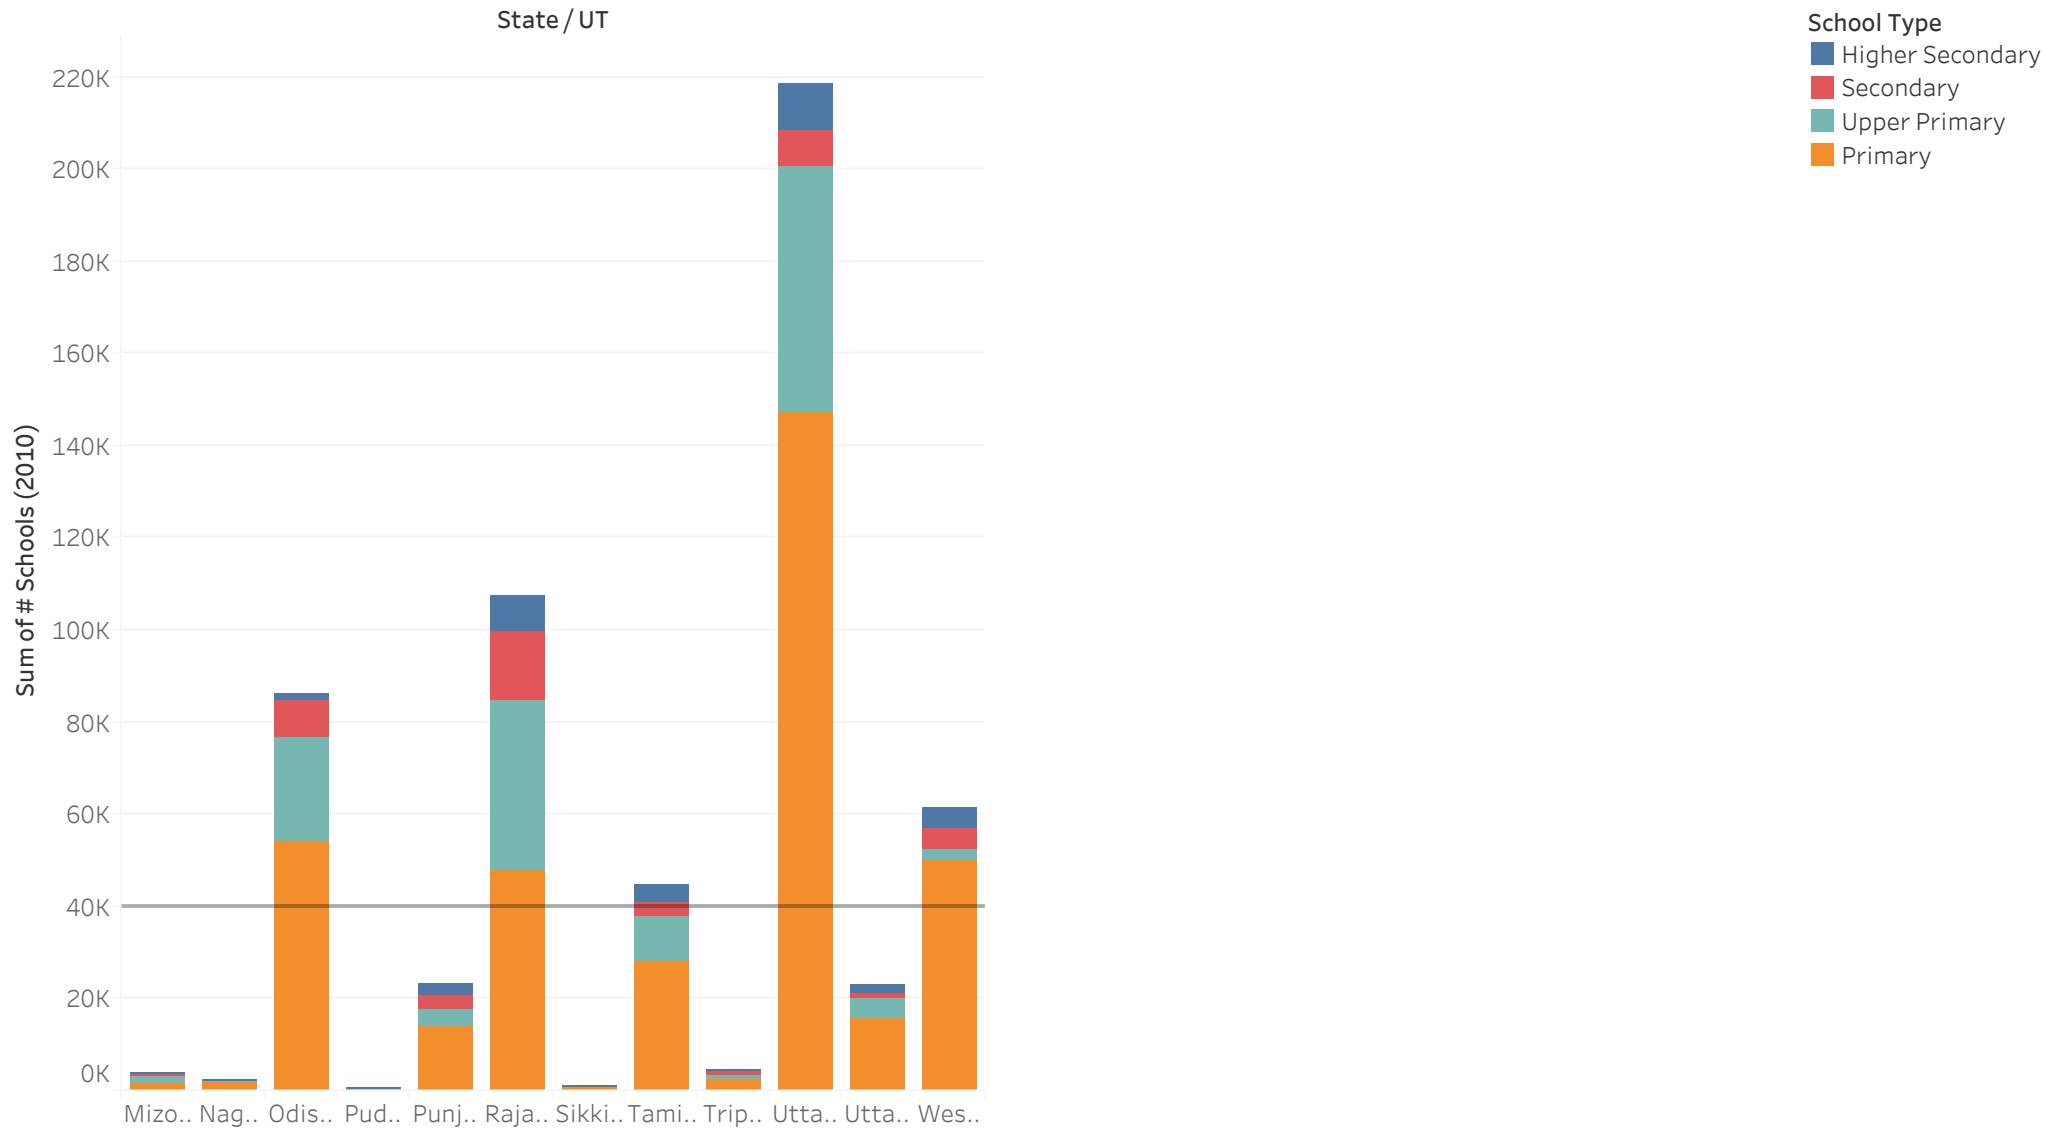

% of Total Sum of # Schools (2010) and School Type. Color shows details about School Type. Size shows sum of # Schools (2010). The marks are labeled by % of Total Sum of # Schools (2010) and School Type.

School per State per Type

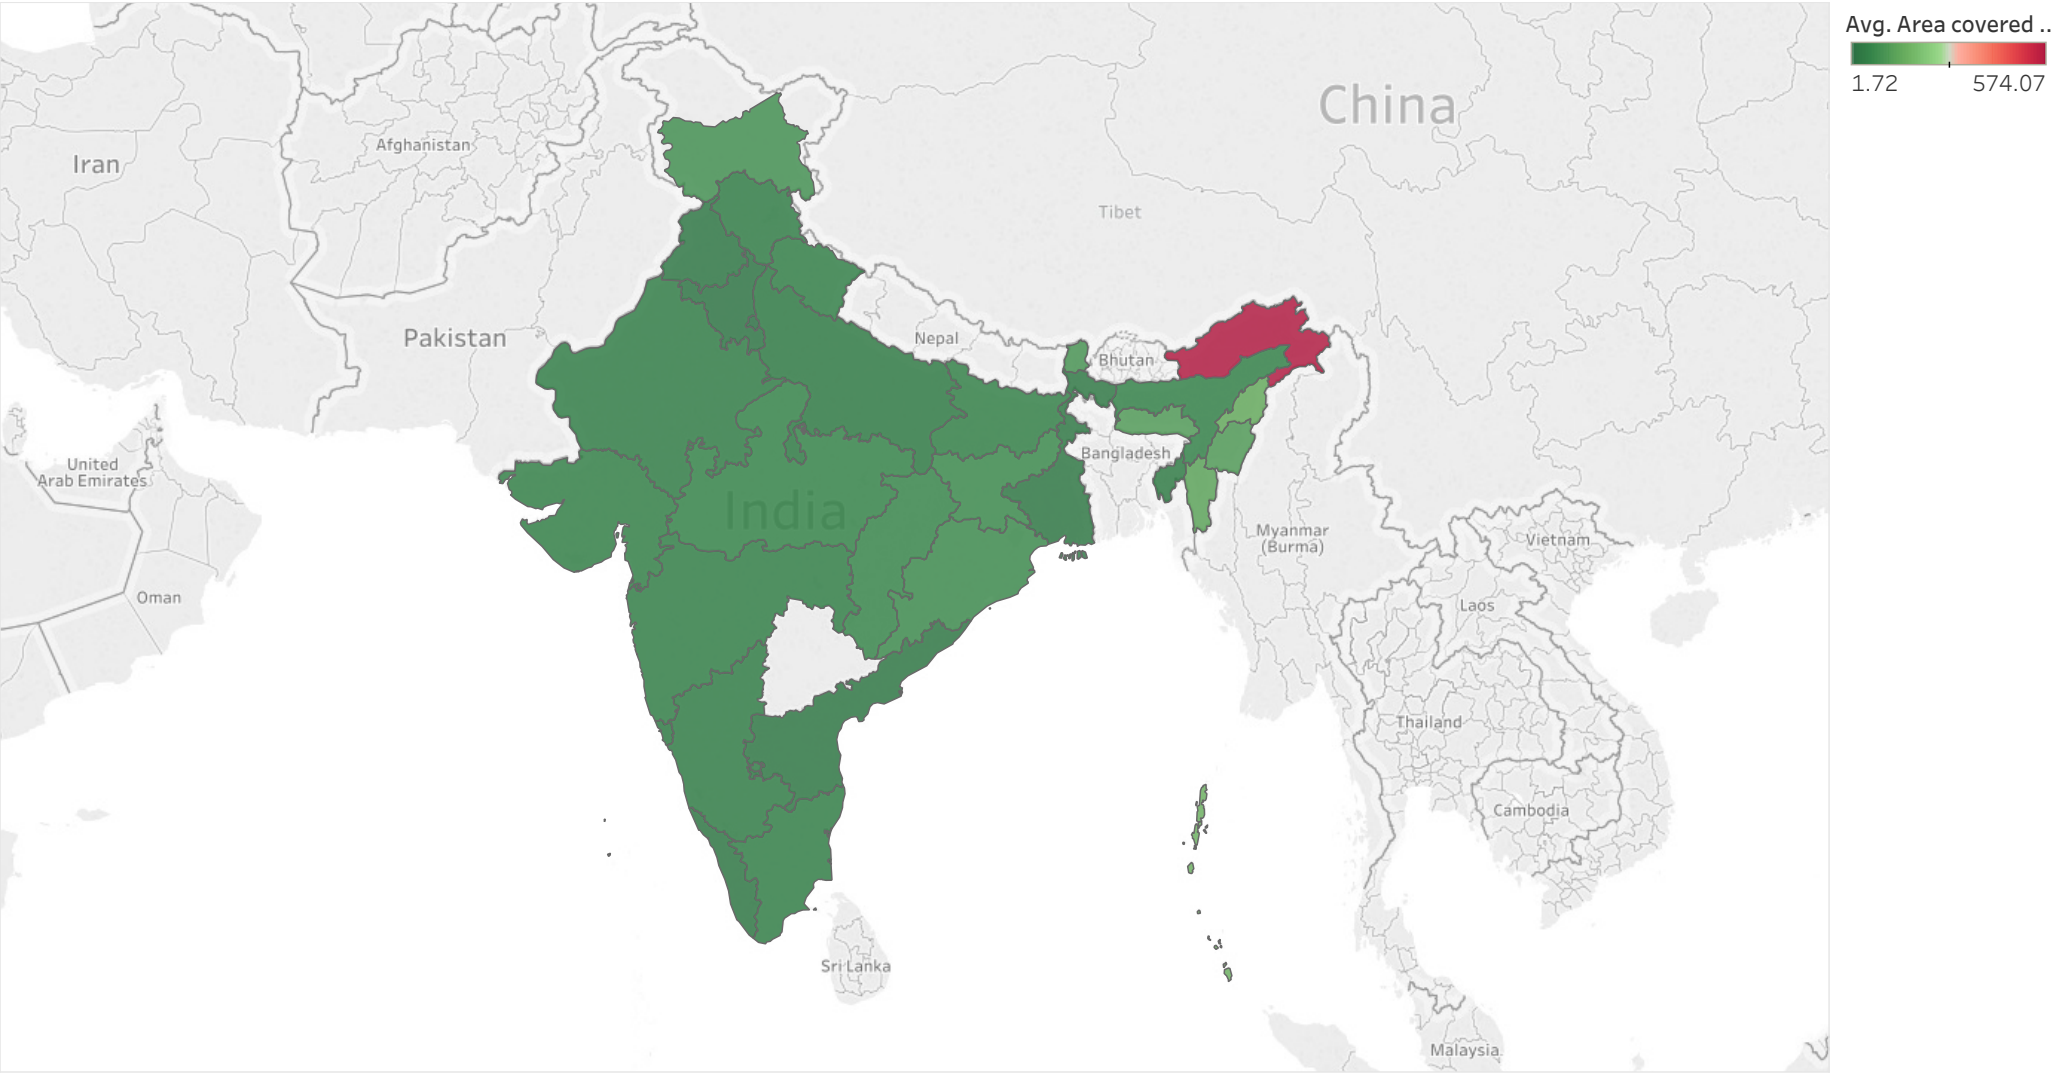

Sum of # Schools (2010) for each State / UT. Color shows details about School Type.

School per State per Type

Sum of # Schools (2010) for each State / UT. Color shows details about School Type.

Area (sq Km) per School

Map based on Longitude (generated) and Latitude (generated). Color shows average of Area covered per School. Details are shown for Area (sq Km) and State / UT (Geographical Area). The data is filtered on School Type and Region. The School Type filter keeps Higher Secondary and Secondary. The Region filter keeps 8 of 8 members.
